

MCT Margarine 83 % contains a mixture of medium chain triglycerides (MCT), long chain triglycerides (LCT) and vitamins.

Product USPs

- 83% MCT fat in the common fat content
- Contain omega-3 and omega-6 fatty acids
- Supplies vitamin A, D, E, folic acid and B12
- Contains no hardened fats
- Ready to Eat

Definition and Indication:

FOOD FOR SPECIAL MEDICAL PURPOSES

For the dietary management of fat maldigestion and fat malabsorption, oxidation disorders of long chain fatty acids and disorders or other conditions requiring a ketogenic diet and in all other cases that require an additional source of MCT fats. MCT Margarine 83 % contains a mixture of medium chain triglycerides (MCT), long chain triglycerides (LCT) and vitamins.

Ingredients:

medium chain tryglicerides from plam fat and coconut fat in varying proportions, water, safflower oil, linseed oil, emulsifiers: mono- and diglycerides of fatty acids, sunflower lecithin; vitamin E, natural aroma, acidity regulator: lactic acid; vitamin A, colour: beta carotene; folic acid, vitamin D, vitamin B12.

Important notices

- Use under medical supervision.
- Not for parenteral use.
- Not to be used by individuals who do not have the specific disease.
- Suitable from 1 year of age onwards. Not suitable as a sole source of nutrition.

Dosage

To be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient. MCT Margarine 83 % should be introduced slowly into the diet as rapid absorption of large intakes may cause vomiting or diarrhoea.

Contraindications

MCT Margarine 83 % should not be used if keto acidosis/acidosis, decompensated liver cirrhosis, chronic kidney disease is suspected or in people with medium chain acyl-CoA dehydrogenase deficiency (MCADD).

Preparation guidelines

MCT margarine with 83% content can be used as a substitute for conventional spreads. Suitable for spreading on bread and for cooking and baking at temperatures up to 180°C for a maximum of 40 minutes.

Storage

- Closed: Keep in the refrigerator.
- Opened: Consume within 1 month after opening.
